SUMMARY

Mukuna submitted a request to travel to Nairobi, Kenya, leaving on April 1, 2021 and returning on April 17, 2021. Mukuna stated that the purpose of the trip was to attend his father's funeral and visit with family. He learned of the passing of his father on March 30, 2021 and obtained permission from the State Department on March 31, 2021 to receive his passport for the emergency situation.

Since commencing supervised release on December 3, 2018, Mukuna has been compliant with all conditions. Mukuna is employed and also receives the financial support of his wife. Mukuna has not tested positive for illicit substances and has completed 63 hours of community service work to date.

At this time, the probation office does not object to the proposed travel and respectfully defers to the Court for approval, noting in this instance the urgency of timing of his request due to the circumstances. If Mukuna is allowed to depart on April 1, 2021, he will be able to attend his father's funeral on April 3, 2021.
